

SOL-P

FEATURES

- 24-hour circadian lighting that follows natural daylight cycles.
- Sunlight-spectrum technology designed to support wellbeing and comfort.
- CRI 97 colour accuracy with low glare performance (UGR <19).
- Flicker-free and blue-light-safe illumination.
- DALI, app and wall controller compatible.

APPLICATIONS

- Ideal for:
- Office/Collaborative spaces
 - Schools, universities and training
 - Healthcare and aged care
 - Hospitals and clinics
 - Government and public buildings
 - Study areas
 - Wellness-focused environments
