

FEATURES

- Circular design creates a unique feature inspired by natural daylight.
- True Blue-Sky illumination delivers the appearance of an open sky indoors.
- Sunlight-spectrum technology = high colour accuracy and visual comfort.
- 24-hour circadian lighting follows natural daylight rhythms throughout the day.
- Bright, even light output enhances wellbeing and enlarges spaces.
- DALI, app and control panel compatibility for flexible lighting control.
- Compact round format ideal for feature ceilings and statement installations.

APPLICATIONS

Ideal for:

- Feature gallery lighting
- Residential feature ceilings
- Hotels and hospitality venues
- Wellness centres and spas
- Retail stores and showrooms
- Commercial reception areas
- Museums and exhibition
